**“ Let us work together with renewed passion, creativity and commitment ”**

**Dear Team,**

As we reflect on the first quarter of 2026, we do so during a time of uncertainty and turbulence in the region. In such moments, what matters most is that we remain calm, united and resilient. Challenges will come and go, but our strength as one SFC family must always remain steady.

This is also a time to express our heartfelt gratitude to the UAE — the great nation we proudly call our second home. Under the wise and visionary leadership of its rulers, this country continues to give us safety, opportunity, and the confidence to move forward even in difficult times. We must never forget that.

Despite the challenges, this quarter has seen many meaningful milestones — from the opening of the Galfar Central Camp for SFCS Catering, to the launch of the new India Palace and SFC Plus menus, our Year of Family initiatives, our Ramadan giving partnership with Al Jalila Foundation, and our first-ever curated Iftar boxes from India Palace and Miknan. These are reminders that even in difficult times, we continue to grow, serve, and give back.

I thank each one of you for your dedication, discipline, and commitment. Let us continue to stand together with hope, humility, and pride.

With warm and affectionate regards,

**KESAVAN MURALEEDHARAN**  
Chairman & Managing Director

# MD's Birthday CELEBRATION

## CELEBRATING A MILESTONE 70TH BIRTHDAY WITH OUR BELOVED MD

— MARCH 19, 2026, SFC Group, Abu Dhabi, Headquarters —

At SFC Group, we affectionately call him “MD” - but behind those two letters stands a remarkable visionary leader, Mr. K. Muraleedharan. As he turned 70 on March 2026 ,19, he continues to lead the company with the same energy, passion, and hands-on dedication that have defined his tenure from day one. The SFC Group Abu Dhabi Headquarters celebrated MD’s special day with great enthusiasm. The event began with warm wishes and a heartfelt rendition of “Happy Birthday” from the Corporate Office Team, setting the perfect tone for the morning. A specially prepared video then took everyone on a journey through MD’s 70 years of life—highlighting his personal milestones, family moments and the inspiring path that brought him to where he is today. Following the video, MD shared reflections on the past year, speaking with honesty and warmth about moments of happiness and success. He also took time to thank the team for their continued support and tireless hard work, emphasizing that SFC’s achievements are a shared effort.

The celebration ended sweetly as MD cut the birthday cake with the entire team in attendance together happily celebrating.

On behalf of the entire SFC team, we extend our heartfelt gratitude and best wishes to MD on this special milestone.

## NEW JOINERS INDUCTION/ORIENTATION

We were delighted to welcome a new group of talented professionals to the Avenue Hotel family together.

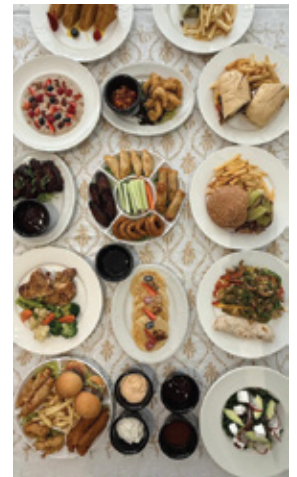

To ensure their smooth integration into our team, we conducted a comprehensive New Joiners Induction Program designed to familiarize them with our culture, standards, and operations, while fostering collaboration, engagement, confidence, and a strong sense of belonging from day one across all departments.

Through interactive presentations, guided property tours, and engaging discussions, participants were introduced to key policies, safety procedures, brand values, and service expectations, ensuring clarity of roles, consistent standards, and readiness to contribute positively to daily operations and guest satisfaction from the very beginning of their journey with us together successfully.

The program allowed new team members to connect with leaders and align with our service excellence values.

## HACCP & PRESENTATION TRAINING

We are pleased to share that our team successfully conducted HACCP training along with an overview session for Kitchen and F&B Service staff. The training focused on enhancing food safety practices, hygiene standards and operational awareness to ensure compliance with HACCP guidelines. The session also provided valuable insights into effective coordination between kitchen and service teams, reinforcing our commitment to delivering safe, high-quality food and exceptional guest experiences. We appreciate the active participation of all attendees and look forward to continued improvement and excellence in our daily operations.
